

2019 Environmental Data Management Workshop

September 4-5, 2019

Motif Hotel, Seattle, Washington

Unleashing NOAA's Data as a Strategic Asset for Science, Service, Stewardship and Innovation

The 2019 EDM Workshop builds on past work by providing training, highlighting progress, identifying issues, fostering discussions, and determining where new technologies can be applied in the management of environmental data and information at NOAA.

LOGISTICS

Workshop Location

Motif Hotel
1415 Fifth Avenue
Seattle, WA 98101

There will be signs directing you to the workshop when entering the hotel.

Hotel Information

There is a block of rooms available at a special rate at the Motif Hotel (where the workshop is being held). Please visit www.destinationhotels.com/motif-seattle to book and use reservation code "NOAA0903". -- **UPDATE: Room block is now full.**

There are many other hotels in the vicinity of the workshop. We suggest visiting www.visitseattle.org/lodging to explore other options.

Getting There

Public Transportation

From the Airport

Sound Transit offers light rail service to and from Seattle-Tacoma Airport every 6-15 minutes. The nearest stop to the workshop is Westlake Center. Visit www.soundtransit.org for more details.

From Elsewhere

Seattle has many options for public transportation, including light rail, buses, and streetcars. To determine what method and route works best for you, please visit www.visitseattle.org/visitor-information/getting-around/.
